

# New Prairie High School

## Vision Statement

Graduates of  
New Prairie High School  
are prepared for postsecondary success.

## Mission Statement

The New Prairie High School community is committed to creating a culture of continuous improvement where we develop a commitment toward learning.

We will develop students' abilities to:

1. Demonstrate the attitudes of a responsible citizen.
2. Communicate effectively
3. Think critically.
4. Have a positive attitude to learning.
5. Exhibit appropriate social behavior.

We commit our resources and abilities to helping students succeed.

### Beliefs

We believe:

- All students can learn.
- Students can be taught to view learning as a life-long process.
- All students' unique learning styles can be addressed by flexible instructional methods.

- Students will serve their school and community.
- That our students can learn to take responsibility.
- Students will maintain high standards of academic integrity.
- Students will have pride in personal appearance and behavior.
