Dear Seniors,

As you know, your senior yearbook will represent your final year at New Prairie High School. We want you to be included in your senior yearbook as much as possible so that it truly reflects your pinnacle year at NP.

If you wish to submit a senior portrait other than the photos that were taken for school ID, you must adhere to the following guidelines. **If you do not submit a senior portrait, we will place your school ID photo as your senior portrait if one is available.** If you do not submit a senior portrait or have a school ID photo taken, we cannot publish your senior quote or your baby picture.

Those who will be submitting senior portraits please make note of the following requirements.

- You may use any photographer you wish
- You **MUST** submit a **wallet size portrait** (2.5" x 3.5")
- Portraits must be in **FULL COLOR**
- Portrait backgrounds **MUST** be either **BLUE OR GRAY**, BLUE is preferred
- Portraits submitted must be a very **TRADITIONAL HEAD AND SHOULDERS POSE**
- All portraits must be vertical (no slanted/diagonal/horizontal shots)
- **NO HANDS**
- **NO OUTDOOR or ALTERNATIVE BACKGROUNDS**
- **NO OBJECTS, PETS, etc...**

Your senior portraits **MUST BE SUBMITTED ON OR BEFORE DECEMBER 18, 2009** in order to be included in the yearbook. **NO EXCEPTIONS.**

Area photographers urge you to get an early start! Please turn in your senior portrait as soon as you have it!

The requirements guarantee that the senior picture pages will be uniform and attractive in their design.
