**NEW PRAIRIE UNITED  
SCHOOL CORPORATION  
WELCOME**

Dear Parent(s) or Guardian(s):

The New Prairie United School Corporation welcomes you to the new school year! We look forward to your child/children having an outstanding learning experience.

Our School Corporation provides bus transportation under School Board Policy. Safe, timely bus transportation is a concern for each of us--parents, drivers, teachers and administrators. Good discipline on school buses is an important part of safety--good behavior will occur if we work together to make it happen.

Transportation is a privilege and improper behavior may result in a suspension of this privilege. This pamphlet contains general information on Transportation policies, safety guidelines, and rules of bus conduct, which spell out consequences when students choose to break the rules. Transportation policies, safety guidelines, and rules of bus conduct are standard throughout the School Corporation.

Please read the contents and then discuss with your child/children their responsibilities while riding a school bus, then be sure they know the consequences should they choose to break the rules. With your assistance, we shall experience good behavior and another safe year!

If you have any questions regarding transportation or routes, contact the Director of Transportation at 574-654-7373 or 219-778-9585.

Thank you for your cooperation.

Sincerely,

*Dr. Paul White*

Superintendent
