

Dear Parents/Guardians,

**THANK YOU** for your continued support. Due to the restrictions caused by COVID, we've chosen to handle the Annual Food Drive this year a different way. We will be accepting monetary donations going directly to the two Food Pantries. The Food Pantries will then take money collected and purchase food from the Food Bank at a discounted price and be able to help even more families in need this Christmas Season.

DEADLINE for monetary donations is Friday, Dec. 4<sup>th</sup>.

The goal of each Food Pantry is to create everything needed for a family in need to have a complete Christmas dinner, including a ham. These special boxes will be handed out two weeks prior to Christmas.

Following are the guidelines for each Food Pantry. Please note these guidelines apply throughout the year to a family in need.
