A state or international ID card is required for the Raptor System. During the school day, all doors remain locked and a security system is in place. A buzzer is located at the front entrance of the building along with a camera. Office staff is able to visually monitor the door. Visitors must press the buzzer once and wait for the office staff to answer.

~~School personnel are the only adults allowed in the classrooms unless an appointment has been scheduled. Parents may request to schedule a visit to their child's classroom in advance by contacting the classroom teacher or the school office. When visiting, remember that the teacher's role as the instructional leader of the classroom is a very special role and must not be challenged.~~

ABSENCES

(*Please consult the Elementary General Handbook for additional information)

HOMEWORK WHEN ABSENT

Parents may request homework if the child has been absent more than one school day. In order to give the classroom teacher time to adequately prepare lessons, please allow one day of lead-time before homework is expected. Assignments may be picked up in the office. (Also See "Vacation" in the General Handbook for homework information.) Additionally, teachers may post homework information into students' Google Classroom account or Schoology account.

LEAVING EARLY

Any student who needs to leave school before dismissal must have a written note from the parent stating the reason and the time for the early dismissal. In an emergency, the parent may phone the school. No student will be released from school without parental permission. Parents must ~~enter the office to~~ sign out the student for early release (at the main entrance of the school). The student will not be released to anyone other than a parent or guardian unless we have confirmation from the parent or guardian by a note, a telephone call, or if the parent has listed adult names on the child's emergency form.

LOST & FOUND

All lost and found items are brought to the lost & found box located in the main hallway. All unclaimed items will be donated to public assistance at the end of each semester.

CLASSROOM CELEBRATIONS

Classroom celebrations are limited to ensure maximum time for academics. Classroom celebrations include: Fall Celebration (October), Winter Celebration (December), and Valentines Day (February - card exchange).

Please Note: All food items for approved celebrations other than Fall Celebration and Valentines Day must be in accordance with the NPUSC Wellness Policy (healthy snacks).

Please DO NOT send food treats to recognize student's birthdays (pencils, stickers, etc. are good substitutes).

(**Delivery of birthday presents, flowers, balloons, etc. will not be made to students in their classrooms. In the event these items are sent to the school, they will be held in the office for parent pick up and cannot be sent home on the school bus.)

*****Party invitations for non-school parties may not be handed out at school unless all children in the class or all children of the same sex in the class are invited.***

PERSONAL PROPERTY

Personal property such as toys, media items, jewelry, irreplaceable items, excess money, etc., should not be brought to school. The School is not responsible for personal property (even in special cases of Show and Tell, etc.). School personnel cannot spend time with communication and/or discipline involving lost, stolen, or broken personal property items that do not belong at school. The School may confiscate such items, and it will be the parents' responsibility to retrieve their child's personal property from School personnel. School personnel will not be responsible for confiscated items that are not picked up by the parent within 24 school hours.

DRESS AND GROOMING

While fashion changes, the reason for being in School does not. Students are in School to learn. Any fashion (dress, accessory, or hairstyle) that disrupts the educational process or presents a safety risk will not be permitted. Personal expression is permitted within these general guidelines.

If a student has selected a manner of appearance that disrupts the educational process or presents risk to themselves or others, they may be removed from the educational setting. Parents are strongly urged to monitor their students' dress. Clothing or articles that advertise or promote drugs, obscenity, or are gang related, involve tobacco, violence, alcohol or drugs will not be tolerated. Inappropriate dress or articles that are deemed interference to the purposes of school are prohibited. The ultimate decision as to what is appropriate lies with the School personnel (who may, at times, make exceptions for School Spirit Days and other special events).

Please note the following dress code during school hours or during school-sponsored events:

1. No sunglasses in school.
2. Hoods, hats, headscarves, or bandanas may not be worn in the building.
3. Shorts, skirts, and dresses should be mid-thigh.
4. Midriffs must be covered. Bottom of shirt must cover top of pants or be tucked in.
5. Clothing or articles that could damage school property or harm someone will not be permitted – example: pins and spikes.
6. No slippers or pajamas.
7. All clothing must be appropriate and not excessively revealing.
8. No sagging, excessively baggie, or wide bell-bottom pants. Pants cannot be dragging on the floor.
9. No wheels in shoes permitted (Heelys, Rollerblades etc.).
10. Flip flops, high-heels, platform shoes, or unsafe footwear are prohibited from being worn at recess and P.E.
11. Make-up is highly discouraged, and the principal will have the discretion to ask for it to be removed if it is a disruption to the educational process.

Students who are representing NPUSC at an official function or public event may be required to follow specific dress requirements.

Curriculum

Curriculum maps are accessible to all teachers for the subject areas in which they teach. They can be accessed on-line, they can also be found in the Office of the Curriculum Director.

Rolling Prairie Elementary School implements a balanced literacy model for the teaching of reading and writing. The reading workshop is the basis of our reading curriculum. It includes a mini lesson, a read aloud, guided reading, independent practice time, and sharing time. The writing curriculum consists of the writing workshop, which follows the same procedures as the reading workshop of a mini lesson, independent practice, and sharing time. The Six Traits Writing resource is used as well. Ready Reading is utilized in grades 2-5. Kendore Phonics is also utilized as part of our ELA block. Ready Indiana Mathematics program is a math program structured to deepen understanding and is used in grades K-5. It emphasizes conceptual understanding through reasoning, modeling, and discussion that explore the structure of mathematics, while also developing students' procedural fluency. The lessons use a research-based, proven-effective instructional model with a balance of conceptual understanding and procedural fluency to build confidence and mastery of the Indiana Academic Standards.

Social Studies is taught based on our Indiana Academic Standards, using a McGraw-Hill curriculum along with a variety of resources. The grade level focuses are: K-1 Neighborhood, 2-Our Community, 3-Communities, 4-Indiana History, and 5-US History.

Assessment

Students are assessed regularly throughout the year in multiple ways. We use standardized assessments, traditional assessments, and authentic assessments to show student progress. (All of the following examples are explained in greater detail below.) Examples of standardized tests are ILEARN and IREAD3. Traditional assessments are reading tests, math tests, spelling tests, social science tests, science tests, and lexile tests. Teachers make observation notes during reading and writing workshops, take notes during student reading conferences and use rubrics as authentic assessment tools.

Based on Six Traits writing, students are assessed in writing quality (application) and grammar/capitalization/punctuation/spelling conventions frequently throughout the school year.

Indiana's ILEARN Test is a spring test. Students will participate in ILEARN testing in the spring (April 18-May 13, 2022). Indiana's ILEARN test measures student achievement and growth according to Indiana Academic Standards. ILEARN is the summative accountability assessment for Indiana students in grades 3-8 and assesses: English/Language Arts (Grades 3-8); Math (Grades 3-8); Science (Grades 4 and 6); Social Studies (Grade 5).

Students in Grade 3 will take Indiana's IRead3 Test in March (March 7-18, 2022). Students must pass this assessment to receive promotion to grade 4. Students that do not pass this test of reading skills will be expected to attend summer remediation if offered and re-take the test in June. A student that does not pass the test the second time will either be retained in grade 3 or must meet the qualifications for a waiver to grade 4.

Kindergarteners are assessed with a locally developed kindergarten assessment and reported each grading period to parents. The same skills are assessed throughout the school year to note progress and areas that need more focus.

Parents will be provided information concerning both our school's performance and their own students' performances on standardized and formative testing. This will be accomplished through communication on our school's website, letters sent via mail to parents, and during parent meetings at the school. The staff at Rolling Prairie will assist parents in encouraging regular attendance, providing adequate time and proper environment for homework, and guiding in nutritional and health practices. This assistance will be provided through the principal's office, student services, the health office, and from teachers.

Community Resources

Various community resources are available to Rolling Prairie parents, including information on parenting and discipline; medical, dental, and health information; and brochures on area recreation opportunities for students. Title I

From The Principal

Dear parent/guardian:

Rolling Prairie Elementary School has been designated a Title I school under the federal guidelines set forth by the Every Student Succeeds Act. Schools receive this designation when the percentage of its families that qualify for free and reduced lunches is higher than the corporation's. Once a school is designated to receive funding, any student who meets program criteria is eligible for assistance. Test scores are not part of the eligibility criteria.

This Title I designation means our school is receiving more resources to assist struggling students. The program provides for highly qualified Reading Specialists trained in specific, research-based reading programs. The Reading Specialists will work with small groups of children at different times during the week.

The Title I program actively encourages parents to learn more ways to help their children succeed in school. We invite you to stop in and use our parent area. You will have access to a computer set up with some suggested websites marked as favorites, information pamphlets you can take with you, and a number of materials that you can check out to use with your child at home.

If you have any questions or concerns regarding this program, please feel free to call our Title I teachers, Mrs. Jarka or Mrs. Post, at Rolling Prairie at (219) 778-2018. They will be happy to answer any questions you might have. Our school counselor, Mrs. Kuczmanski, and our school social worker, Mrs. Kolasa, are also available to meet with parents.

This document is our Parent Compact. **We are required by the Title I Program to have parents sign this.** Please sign this form electronically by checking the required box. This document reminds us that it takes cooperation from the teacher, parent, and student to accomplish the task of learning.

Remember to keep your child active with books, reading and being read to!
