- 2/22 - GIRLS BASKETBALL @ 4:30PM (AWAY-WALKERTON)
- 2/25 - NO SCHOOL
- 2/28 - FLEX/E-LEARNING DAY

MR. HEINOLD

This past month, we got to celebrate the 100th day of school. I want to thank our Kindergarten classes for keeping us updated on this incredible milestone! That is over 100 days of learning, growing, and achieving at high levels for each of our Bobcat students.

While we sometimes look back at the good times that we've had so far, we will continue to look forward to the future and the opportunities that await. Starting this month, our 5th graders will begin to explore options available to them at the Middle School through course selection. Our 3rd graders will be preparing for the IREAD-3 assessment to be taken in early March. Our 1st and 3rd graders are preparing for their Spring choir concert. We also have several clubs and sports continuing throughout the Spring.

With all that is going on, I'd like to take just a moment to thank all of our parents and families for supporting your students through these activities and in their school work. So, thank you!

If you have any questions, do not hesitate to reach out. Go Bobcats!
justinheinold@npusc.k12.in.us or 219-778-9388

Information from Around the Prairie

From the PTO

The date for the Winter Carnival has been changed to February 19th, still at New Prairie Middle School. Thank you to those who have helped plan or support this event through donations. More information will be coming out as plans are finalized.

Beginning in February, the cost of popcorn on Popcorn Thursdays will be increasing to \$0.50 per bag.

We will also be having Valentine Candy Grams for students to purchase and send to their classmates or teachers leading up to Valentine's Day.

The PTO is still looking for coordinators and volunteers to assist with upcoming events. Be sure to join us at the next meeting for more information. You may always contact the PTO Board at PTOPVE@gmail.com for more information.

Above: Congratulations to our two winners from the 4th grade on their history test!

Attendance

Regular school attendance is a key factor in student success. If your student is going to be absent for all or part of the school day, including for illness or appointments, please contact our main office at 219-778-9388 or 574-654-7258. Thank you!

E-learning Days

The weather in Northwest Indiana can certainly be unpredictable. Should NPUSC be on future e-learning days, students should login to their iPads and complete the attendance work first. Please also encourage your students to complete all of their work before returning to school. Teachers are available to answer students questions until 3:00pm.

If a student has left their iPad at school, they may login to any device using their regular Google account information. If you are having additional technology concerns, you may reach out to Mrs. Parady at cparady@npusc.k12.in.us or by phone at 219-778-1485.

Right: Students practicing their floor hockey skills in physical education class.
