From the Principal

MR. HEINOLD

Another month has come and gone! The weather is certainly cooler, and the leaves are making their changes. Here inside Prairie View, I have been able to witness firsthand the growth and achievement of our students! I am proud of the hard work and effort that students have shown throughout the first quarter of the school year. We have exceptional students who are taking pride daily in their school by volunteering to pick up after breakfast. Still more students are encouraging others by continuing to be kind and respectful both in their grade level and specials classrooms.

One special note, as we head into the cooler season, please be sure to monitor the weather and send your students with warm outerwear for outdoor recess. Thanks!

If you have any questions, do not hesitate to reach out. Go Bobcats!

Information from Around the Prairie

From the PTO

We have had another successful month of offering students and families opportunities to grow together and enjoy experiences at Prairie View. Our Pumpkin Decorating Night was so much fun, and we had some great artists during our Coloring Contest!

We are looking forward to continuing to host events/activities for students and families. Please consider attending our PTO meetings and/or volunteering during the events. The PTO is looking for volunteers to assist with basketball concessions and planning for a Winter Festival.

If you've already joined ShopWithScrip, thank you! Thank you! This helps the PTO and the school with various student activities.

Also, don't forget to join our PTO Facebook Group for special announcements and staying up to date with things happening at PVE. You may always contact the PTO Board at PTO_PVE@gmail.com for more information.

Body Safety Program/Night

Each year, Prairie View students receive instruction on body safety. This year, Sarah Hoyt will again present the content of body safety to all of our students on Tuesday, November 23rd during school. There will be a virtual Parent Night on Monday, November 22nd. More information will be coming in the next couple of weeks.

Holiday Donations

During the next couple of months, you will be receiving some additional information regarding opportunities to participate in supporting our Prairie View families during this upcoming holiday season. Typically, this support comes in the form of food/can donations and/or money donations. We will be partnering with local businesses to join us in ensuring that our families have their needs met, so be sure to check out flyers that come home and any updated that may be on our PTO Facebook page.

Please consider donating to help support families in our very own community this holiday season. Thank you!
