A MESSAGE FROM DR. MOORE

Tis the season for giving!
Thank you for your contributions to our change drive. This drive allows us to provide Thanksgiving meals to families in our school community. During this time of year, we also want to recognize the gifts of time and support. There are so many ways to give. We want to teach our students to ask "What can I do for you?" Raking a neighbor's yard, reading a book to a sibling, or gathering items to donate to a local charity – there are so many opportunities for our children to experience the joy of giving. Let's lead by example, Bulldogs, and continue to give generously in any way we can. Woof-woof!

Dr. Moore

Peyton Kist & Syllas Severa

Did you Know - We have a 3D Printer! Rolling Prairie students have the opportunity to serve as 3D Printing Technicians. Each Student-Tech spends 1 week learning how to print fidgets for our school. Thank you to our PTO for their support of this STEM program by purchasing the printer for our students. Also, thank you to our school counselor, Mrs. Kuczmanski, for leading this program at our school.
