

Parent Connect Account Creation Overview

Create a Parent/Guardian Account

A parent/guardian account allows you to view the information for one or more students with a single login. You can also manage your personal account preferences.

To create a parent/guardian account, you will need to enter the following information:

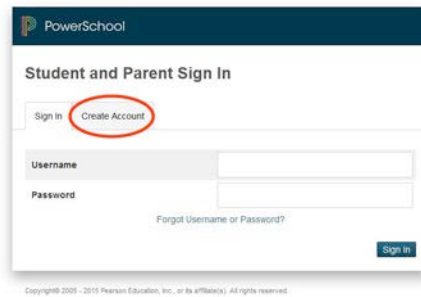

- **Name** - Your first and last name
- **Email** - Student notifications and correspondence related to your parent/guardian account will be sent to this email
- **Desired User Name** - Your user name is your unique PowerSchool identity
- **Password** - Your password must be at least 6 characters long
- **Student Access Information** - Information for a minimum of one student, including the student name, Access ID, Access Password, and your relationship to the student. Access IDs and Access Passwords are sent out at the beginning of each school year, but can also be obtained by contacting your student's school.

Step by Step Instructions

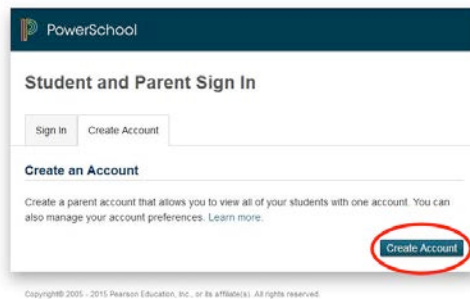

- 1) Navigate your browser to <http://PowerSchool.npusc.k12.in.us> or navigate to the school webpage <http://www.npusc.k12.in.us> and choose the PowerSchool Parent Connect link from the Community menu option on the main webpage.

The screenshot shows the top navigation bar of the New Prairie United School website. The navigation menu includes: SCHOOLS, INFO, SCHOOL BOARD, PLC, PROGRAMS, ATHLETICS, COMMUNITY, FACULTY, and CONTACT. The COMMUNITY dropdown menu is open, showing the following options: POWERSCHOOL PARENT CONNECT (highlighted with a red circle), SCHOOL MESSENGER, IREAD INFORMATION, RACE/ETHNIC REQUIREMENTS, PESTICIDE APPLICATION NOTICE, CHILDREN'S INSURANCE PROGRAM, and LIFELINE PHONE ASSISTANCE. The POWERSCHOOL PARENT CONNECT dropdown menu is also open, showing the following options: LOGIN (highlighted with a red circle) and P.S. ACCOUNT SETUP INSTRUCTIONS. The website header features the New Prairie United School logo and the tagline "A CULTURE OF EXCELLENCE". Below the header, the text "Welcome to New Prairie United School Corporation" is displayed.

2) Once at the login page for PowerSchool Parent Connect. You will need to create your own username and password.

3) Press the CREATE ACCOUNT tab at the top next to the sign in tab.

4) Select the "Create Account" button on the middle right hand side of the screen.

5) After pressing the create account button you will be presented with the following screen.

A screenshot of the PowerSchool 'Create Parent Account' page. The title 'Create Parent Account' is at the top. Below it are several input fields: 'First Name', 'Last Name', 'Email', 'Desired Username', 'Password', and 'Re-enter Password'. The 'Password' field has a strength indicator next to it. At the bottom, there is a note: 'Password must: *Be at least 6 characters long'. The PowerSchool logo is at the top left.

6) Fill in your first name, last name, valid e-mail address, a username and password. There is an indicator next to the password field to show how strong or weak the password you have chosen is in complexity.

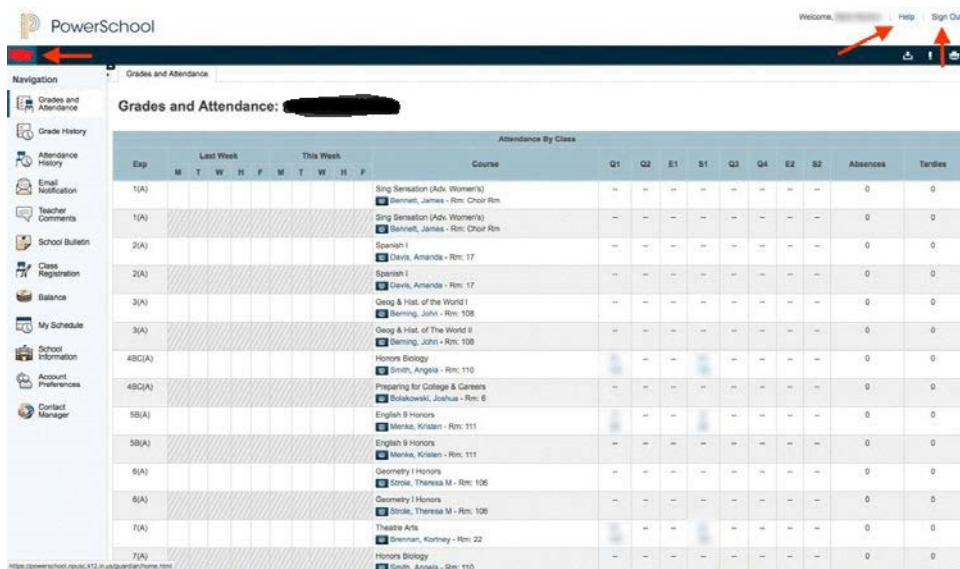

- 7) The username you choose must be unique to the PowerSchool Parent Connect system. If the username you choose is already in use you will be presented with a message that “An account with that username already exists”. Select a different username and continue.
- 8) After you choose a username and password (please keep your username and password in a safe place and do not share it with anyone) please enter your student’s name, Access ID, Access Password and choose your relationship to the student in the drop down field selection. One student per section, you may enter up to 7 students. When all the fields are complete press the enter button on the bottom right hand corner of the account creation screen. **The ACCESS ID and the ACCESS PASSWORD for your student must be obtained from your school.**
