A MESSAGE FROM DR. MOORE

Our district and school regularly engage in the PLC process. What is PLC? - Professional Learning Community. PLC is an ongoing process in which we work collaboratively together to take action and improve learning for ALL students. We work in teams with a focus on learning and sharing best practices. We focus on results to discover strengths and weaknesses and learn from each other.

Opportunities, such as late start Fridays and Flex days, provide necessary time for our district and school to engage in the PLC process. Thank you for your continued support of our mission: To ensure high levels of learning for ALL students. We will continue to do great things for our kids.

Dr. Moore, Principal

IREAD-3

IREAD-3 is required for all grade three students.

Beginning in the spring of 2022, the Indiana Department of Education created an opportunity for schools to opt in to administer IREAD-3 to grade two students as well. IREAD-3 is an online, timed, multiple-choice only assessment consisting of three separate test segments. The first segment measures foundational reading skills, including phonics and vocabulary. The remaining two segments assess students' ability to silently read and comprehend nonfiction and literary texts.

All RP students in grades 2 & 3 will be administered IREAD-3 on the following dates:

Monday, March 6th

Practice test

Wednesday, March 7th

Parts 1 and 2

Thursday, March 8th

Part 3
