March 2024

## BULLDOG NEWS

### RP Families,

We are anxiously awaiting the first day of spring on March 19th. In the meantime, we continue to celebrate our successes. Our school was one of 242 schools in the state of Indiana to be recognized for outstanding achievement on the IREAD-3 test. During the 2022-2023 school year, RP Elementary School received a 95.5% pass rate on the IREAD-3 test. A big THANK YOU to our staff, families, and students who worked hard to reach the state's goal of 95% or higher. It was a proud moment for our school to be part of the first ever recognition ceremony at the state house with Dr. Jenner, Indiana Secretary of Education.

We keep going and keep growing!

Dr. Moore, Principal
