Dear Parent/Guardian,

This communication is to let you know the meal arrangements for Summer School this year.

We will not be serving breakfast during summer school (scheduled from 5/29-6/18/2024). We will be serving lunch in the New Prairie Middle School Cafeteria on those days.

The charge for lunch will be \$2.75 per meal for paid lunch students and \$0.40 per meal for reduced-rate lunch students. We will charge the students' accounts for these meals, if purchased.

Your student will need their lunch card or number in order to purchase a meal. Please be sure that there is money on the account to cover meal purchases.

Menus will be posted on our Facebook page: NPUSC Nutritional Services prior to the start of summer classes.

Please feel free to contact me with any questions you may have.

Thank you,

Sue Aikman, Director
