

NPUSC Dyslexia Reporting 24-25 School Year

The learning characteristics of dyslexia intervention program(s) used during the previous school year to support students with dyslexia.

- Tara West
- Phonics for Reading
- Orton Gillingham

The number of students who received learning characteristics of dyslexia intervention during the previous school year. This indicator represents the number of students who were identified as at some risk and at risk for learning characteristics of dyslexia during the previous school year and who received the appropriate interventions. It does not represent the number of students who were officially diagnosed with dyslexia.

- 8 students

The number of students identified with dyslexia during the previous school year. This indicator represents the number of students who were officially diagnosed with dyslexia and may differ from the number of students who received dyslexia intervention under the guidelines within this document.

- 0 students
