

Our Purpose is to Ensure High Levels of Learning of ALL Students!

COMMITMENTS

To fulfill our purpose we commit to...

- Working together through interdependent, collaborative teams
- Focusing on student learning instead of only our teaching
- Providing students equal access to learn grade level essential skills
- Utilizing data from common assessments to inform student learning
- Ensuring additional opportunities for learning essential skills
- Fostering total student development including life-skills and wellness
- Practicing wise stewardship of NPUSC financial resources

VISION

To ensure a future that fulfills our mission we will...

- Earn Model PLC Status at all five NPUSC schools
- Become an “Ambassador PLC Status” school system
- Implement grading practices that accurately reflect student learning
- Provide a guaranteed and viable curriculum in all classrooms
- Be known as a leader in college and career readiness

CORE VALUES

To create an environment that supports our mission we...

- Engage in continuous improvement
- Are student-centered
- Work towards common understanding
- Prioritize student academic growth
- Value honest relationships
- Collaborate with our community learning partners
- Strive for excellence in all extra and co-curricular activities

GOALS

1. Each NPUSC school will become a Model PLC School by the '26-'27 school year
2. NPUSC will build on district Model PLC status to become an “Ambassador Model PLC District” by 2027
3. All NPUSC students in grades 3-8 will demonstrate growth on grade level writing skills as measured by NPUSC quarterly assessments
4. NPUSC will implement standards based grading at the K-8 level by 2027 and at the high school level by 2030
5. All NPUSC student populations will perform above state average on state exams yearly by at least 10%
6. NPUSC will increase positive student connections to our school community on a yearly basis as measured by locally collected survey data
